The sidewalk cafe must be operated under the same name as the restaurant/lounge and may not be open or operated at any time when the restaurant/lounge is not open for business. Sidewalk cafes for restaurants and lounges may operate at any time between the hours of 6:00 a.m. and 11:00 p.m., Sunday through

Saturday. At the end of each business day the restaurant operator shall clean and remove all refuse from the sidewalk cafe area.

(c) The placement of tables, chairs, and other furnishings, as shown on the site plan must leave four (4) feet of unobstructed space (in the case of a sidewalk, as measured from the street-side edge of the sidewalk, and in the case of a pedestrian way, as measured from the edge of the pedestrian way farthest from the sidewalk cafe) on the sidewalk or pedestrian way for the passage of pedestrians. Fire exits or lanes and wheelchair ramps must remain free of obstructions at all times.

(d) The restaurant seeking to operate a sidewalk cafe must front on and open onto the sidewalk or pedestrian way proposed for such sidewalk cafe. (e) The tables, chairs, barricades and other furnishings used in the sidewalk cafe shall be specifically designed and constructed for purposes of outdoor use of a type that is easily removed from the public right-of-way. If the permit is revoked, table, chairs, barricades and other furnishings used in the operation of the sidewalk cafe must be removed within twenty-four (24) hour notice from the city, and if not so removed, the city shall have the right to remove and dispose of these items and may assess the property owner for the cost of such removal and disposal. (g) Except as elsewhere permitted, the operation or furnishing of the sidewalk cafe shall not involve any permanent alteration to or encroachment upon any sidewalk or pedestrian way. The restaurant/lounge operator of the sidewalk cafe shall be responsible for repairing any incidental damage to public improvements resulting from its operation.

(h) Patrons must wear shoes and shirts at all times.

(i) All sidewalk cafes must have one (1) opening for ingress and egress at all times, unless otherwise required by the City's Fire Chief. Special accommodations may be made for more than one opening for participating restaurant/lounge's fronting Market Alley.

(j) All sidewalk cafes must adhere to the size, design, and any other specifications approved by the City at all times. Strict adherence to required design standards as set forth herein is mandatory.

(k) Sidewalk cafes may be in operation from April 1 until November 30 during the calendar year. When not in operation, the tables, chairs, barricades and other furnishings used in the sidewalk cafe shall be removed and stored off of the sidewalk or pedestrian way.

(l) No smoking is allowed in either the sidewalk cafe or the interior food establishment. Smoking is also prohibited within 15 feet of an entrance to an enclosed area in which smoking is prohibited.

(m) All operations of the sidewalk café must be compliance with all safety guidelines issued by local and state public health officials that may be adopted from time to time.

Section 125.04 - Alcoholic Beverages

(a) If a sidewalk cafe is operated by a restaurant with a Class 1 or Class 2 Liquor License (as defined by Section 115.24), then the cafe area must be separated from the remaining sidewalk or pedestrian way by a barricade or temporary fencing, provided it can prevent easy ingress and egress except at the entrance/exit referred to in Section 125.03(i). Such barricade or temporary fencing must be constructed of materials of a finished quality and designed for outdoor use, including but not limited to, wrought iron, planters, picket fences, or synthetic velour ropes, vinyl braided ropes or polyester belts. No signs shall be planted on the barricades.

(b) The consumption of malt beverages, unfortified wine and other alcoholic beverages in compliance with all state and local laws and regulations shall be permitted in a sidewalk cafe, and this shall be an exception to the general prohibition of such consumption on street right-of-way provided in Section 132.60 of the City Code of Ordinances as well as the Outdoor Operation requirements of Section 115.57 of the City Code of Ordinances.

(c) Bring Your Own Bottle of liquor (BYOB) shall not be allowed at a sidewalk cafe, with the following exception: if the restaurant/lounge is licensed to sell wine, then a patron may bring in a single, unopened bottle of wine for consumption within the restaurant or sidewalk cafe, provided the restaurant/lounge charges a minimum corkage fee of \$5.00.
