

July 12, 2023

In reference to the Karla Wallace request from the July 3 council meeting, we have determined that only blocking off S. A St. between 10th Ave. and 11th Ave. will suffice for her request. The children's ride she is having is small enough to operate in that space. The projected hours of operation are between 1:00 and 3:00 p.m.
