

The logo is a Maltese cross with a central circle. The word "FIRE" is at the top, "RESCUE" on the left, and "EMERGENCY" on the right. At the bottom, it says "EST. 1855" and "MONMOUTH, IL.". In the center of the cross is a stylized fire hydrant.

Monmouth Fire Department
September Monthly Report

October 16th, 2023 City Council Meeting

Emergency Responses:

The Monmouth Fire Department utilizes fire reporting software approved by the United States Fire Administration and the Office of the Illinois State Fire Marshal. This software records fire department responses in over 90 categories to track fire department emergency response statistics. This information is used by the department to support decision-making for fire response planning. Tracking response data with approved software is also required for fire departments receiving Federal and State grant dollars.

911 - Citizen complaint	1
	Total: 1

Basic Incident Type Code And Description (FD1.21)	Total Incidents
	Total: 152

Total Number of Incidents Year to Date: 1,323

Staff Training:

In September, the MFD staff completed over 230 hours of training including the topics of electrical safety, fire dynamics, donning and doffing an air pack, filling an air cylinder, and specialized maneuvers for navigating confined spaces and entanglement situations. The staff also completed emergency medical training on the topics of pediatric assessment and pediatric seizures.

Firefighters Kyle Martin and Tim LaFollette began attending the Illinois Fire Service Institute's Basic Firefighter/NFPA Firefighter I Academy. Firefighters Martin and LaFollette will complete the 7-week academy on October 27th. The week following the academy, the firefighters will complete a series of classes needed to attain their firefighter certification in Illinois including Fire Service Vehicle Operator, National Incident Management Systems, Courage to be Safe, and CPR. The firefighters will finish up their initial training at IFSI by attending Vehicle Machinery Operations and Hazardous Materials Operations with each class being a week long.

Firefighter Osborn attended Rescue Task Force training that was hosted by the ILETSB (Illinois Law Enforcement Training and Standards Board) Executive Institute at Western Illinois University. The training was held at the West Prairie High School in Sciota where police officers and firefighters trained on how to operate as a Rescue Task Force in active threat situations. The training not only prepared them for how to respond but they are now certified to teach other police and firefighters how to operate as part of a Rescue Task Force. MFD has recently participated in active threat training with the Warren County Sheriff's Department and plans to continue with the training to improve MFD's response to these types of threats.

Non-Emergency Activities:

MFD participated in the following events for September

- Prime Beef Festival Parade
- Prime Beef Festival Standby for Vehicle Events
- Prime Beef Festival Touch-A-Truck
- Monmouth Roseville High School Parade
- Provided Color Guard for the Monmouth Roseville High School Homecoming Game
- Attended the WRAM Ag Breakfast
- Attended the Warren Achievement Carnival
- Assisted RSP&E Fire Department with providing fire extinguisher training to 8th Graders.
- Assisted with conducting fire drills at Monmouth Roseville High School.
- Participated in a "Safety Day" that was organized by the United Way and hosted by Holy Family Medical Center. Fire, police, and ambulance were on site at the hospital where people could have their child car seat checked or ask any other safety related questions.
- MFD hosted the annual "Riley & Ryder Strong" Blood Drive at Station I. The event was organized by Jana Cozadd.

Respectfully submitted,

Casey Rexroat, Fire Chief
