| MPD Accidents | 23 | 21 | -2 | 60 | 39 | -21 |
| Grant Hours Worked | 18 | 26 | 8 | 36 | 48 | 12 |

INCIDENTS OF NOTE:

*MPD hosted a Peer Support meeting that was sponsored by the Chaplain Service 10-41 Inc. The meeting was attended by people from Galesburg, Knox County and McDonough County who were interested in starting the Chaplain Service that we use here at MPD.

*MPD hosted three career shadow students from MRHS and United HS. The three students were very interested in law enforcement and were able to ride with an officer, observe the 911 Center and got an overview of the investigation section.

* A full ALICE drill was conducted at West Central HS and Junior High.

*Mirror hanger parking permits were designed and ordered and will be reserved for businesses on the Public Square that have a need for someone to be in their business for longer than 2 hours. These permits are numbered and will be issued/tracked by MPD. Requests had been made by several businesses on the Public Square in reference to the parking issue and the future enforcement.

*The Drug Task Force officer did make several arrests within the last week after an investigation in which a ¼ of a pound of methamphetamine was seized.

*Currently MPD is making adjustments to complaint taking and incident responses due to the COVID-19 outbreak. Officers will still patrol the community; however procedures are in place to mitigate contact during this time.

STAFF TRAINING:

*All MPD officers continue to take mandated training via the Illinois Law Enforcement Training and Standards Board online learning network. The online training developed by ILETSB makes it easier for departments to remain compliant in the continuous additions of mandated trainings. At this time there are 10 different classes each officer is required to be compliant with on an annual basis.

EQUIPMENT RELATED ISSUES:
